Hot Weather Fatigue

not caused by the heat.

With the digestion good and the body functioning properly, hot weather seldom bothers.

Grape-Nuts

is an ideal hot weather food. It's a body-builder — delicious, highly nourishing and easily digestible.

It's made of whole wheat and barley and contains those mineral salts, found under the outer coat of the grain, which are essential to well balanced daily rebuilding of body, brain and nerves.

Grape-Nuts will coax the sluggish appetite. And its always ready to serve—a boon during the hot months.
